COGO Interactive Launches Online Marketing Services

Washington, DC – March 1, 2009 – COGO Interactive announced today that it will launch its full suite of Web Development and Online Marketing services to clients in the Washington DC Metro.

“Small business today needs a business edge to stay ahead of its competition and we provide the marketing know-how and business acumen to fill that need,” said company founder, Peg McDermott.

COGO Interactive is a leading-edge digital marketing agency headquartered in Herndon, Virginia and specializing in developing and managing customized online marketing plans for small business in the real estate, green conservation, and personal development industries. We help our clients recruit and retain new customers via a professional and optimized Website presence, search engine marketing, social media, and online marketing.
